The UC Irvine Office of Financial Aid and Scholarships has compiled this listing of internal and external scholarship opportunities geared for CAMP students. UC Irvine has various scholarships for students based on academic achievement, financial need, city of residence, and special skills. Please visit our online Scholarships Resource Center for more scholarship opportunities, and to view a complete listing of external scholarship opportunities www.ofas.uci.edu/src.

Please be advised that the Office of Financial Aid and Scholarships and the University of California, Irvine is impartial to the views and opinions of the external scholarships compiled in this listing. Eligibility requirements and application deadlines may change without our knowledge.

UC Irvine Scholarships

Scholarship: Christine Jones Memorial Endowed Scholarship
Apply: This scholarship is awarded through the UCI on-line scholarships application. Students can apply between mid-January to mid-March through their "My Aid" account by logging in at www.ofas.uci.edu.

Merit-based scholarship awarded to a female undergraduate student in the Henry Samueli School of Engineering. The scholarship amount will vary depending upon funding availability and the number of eligible students.

Eligibility Requirements:
- Female
- Undergraduate student
- All engineering majors
- Minimum 2.5 GPA
- Work 15 hours per week or more during the school year to supplement educational funding

Scholarship: Dr John R. Miltner / Irvine Health Foundation Endowed Memorial Scholarship
Apply: This scholarship is awarded through the UCI on-line scholarships application. Students can apply between mid-January to mid-March through their "My Aid" account by logging in at www.ofas.uci.edu.

Eligibility Requirements:
- Undergraduate student
- 3.5 minimum cumulative GPA
- Junior or Senior student status
- Record of significant campus leadership
- Health-related studies and career

Scholarship: Deborah And Peter Pardoen Memorial Endowed Scholarship
Apply: This scholarship is awarded through the UCI on-line scholarships application. Students can apply between mid-January to mid-March through their "My Aid" account by logging in at www.ofas.uci.edu.
Merit based scholarship awarded to students studying mechanical or aerospace engineering. The scholarship amount will vary depending upon funding availability and the number of eligible students.

Eligibility Requirements:
- Undergraduate student
- Mechanical or Aerospace Engineering major
- Good academic standing

Scholarship: **Engineering Dean's Excellence Scholarship**
Apply: This scholarship is awarded through the UCI on-line scholarships application. Students can apply between mid-January to mid-March through their "My Aid" account by logging in at www.ofas.uci.edu.

The Engineering Dean's Excellence Scholarship will support meritorious engineering students who demonstrate academic and personal commitment to the school, university and their local community.

Eligibility Requirements:
- Engineering major
- Minimum GPA of 3.25
- Undergraduate student with Sophomore, Junior or Senior (5th year Senior) status.
- Demonstrate school, campus or community involvement.

Scholarship: **Engineering Undergraduate Award**
Apply: This scholarship is awarded through the UCI on-line scholarships application. Students can apply between mid-January to mid-March through their "My Aid" account by logging in at www.ofas.uci.edu.

The Engineering Undergraduate Award will support engineering students who demonstrate financial need, academic and personal commitment to the school, university and their local community.

Eligibility Requirements:
- Engineering major
- Minimum GPA of 2.5
- Undergraduate student with Sophomore, Junior or Senior (5th year Senior) status.
- Demonstrate school, campus or community involvement.
- Demonstrate Financial need as determined by the Office of Financial Aid and Scholarships.

Scholarship: **Jan Scherfig Scholarship**
Apply: This scholarship is awarded through the UCI on-line scholarships application. Students can apply between mid-January to mid-March through their "My Aid" account by logging in at www.ofas.uci.edu.

Eligibility Requirements:
- Undergraduate student
- Freshmen status
- Civil or Environmental Engineering major
- Full-time enrollment
- Minimum cumulative GPA of 3.0
- Completed or in the process of completing the first year math, science and engineering courses required by the program.

FINANCIAL AID AND SCHOLARSHIPS
UNIVERSITY OF CALIFORNIA • IRVINE
• Planning to continue in Civil or Environmental Engineering major as a sophomore with the intent to complete the Bachelor of Science in Civil or Environmental Engineering.

• Your personal statement must include your educational and career goals in civil and/or environmental engineering, why you chose to attend UCI, plans for graduate school and how your Freshman year course experiences influenced these goals.

• Applicants must also submit a resume to the Office of Financial Aid and Scholarships, 102 Aldrich Hall.

Scholarship: Leadership Scholars Program
Apply: This scholarship is awarded through the UCI on-line scholarships application. Students can apply between mid-January to mid-March through their "My Aid" account by logging in at www.ofas.uci.edu.

This Scholarship will support Biological Sciences majors who demonstrate academic and personal commitment to the School, University and their local community.

Eligibility Requirements:
• Biological Sciences major
• Undergraduate student with Sophomore, Junior or Senior (5th year Senior) status
• Minimum GPA of 3.75
• Strong evidence of school and/or campus service and volunteerism in the community

Scholarship: Manuel N. Gomez Endowed Scholarship
Apply: This scholarship is awarded through a paper application process. To download an application, please visit our website. Students must submit the completed application to the Office of Financial Aid and Scholarships located at 102 Aldrich Hall. Finalists will be contacted for an interview in late June.

This scholarship supports promising UC Irvine students who have participated in an academic enrichment, academic outreach and/or academic preparedness program as a prospective student or as a currently enrolled UCI student.

Eligibility Requirements:
• Current undergraduate student.
• Have participated in an academic enrichment, academic outreach and/or academic preparedness program as a prospective student or as a currently enrolled UCI student.
• Full-time enrollment as a student for the academic year.
• Minimum 3.0 cumulative GPA.
• Open to all majors.
• First in their family to attend college.
• Financial need as determined by the UCI Office of Financial Aid and Scholarships. Applicants must file a Free Application for Federal Student Aid (FAFSA).
• Must provide one letter of recommendation.

Scholarship: Maria Rebecca Bellettini Award
Apply: This scholarship is awarded through the UCI on-line scholarships application. Students can apply between mid-January to mid-March through their "My Aid" account by logging in at www.ofas.uci.edu.

Eligibility Requirements:
• Must plan to finish a Bachelor's degree at UC Irvine in one of the following majors: Chemistry, Earth and Environmental Sciences, Earth and Environmental Studies, Mathematics, or Physics.
• Minimum UCI GPA to apply: 3.25
- Open to junior level students (90 to 155 units) who have some research experience. Students must have completed at least one year of calculus.
- Applicants must list a minimum of one UCI faculty member who we can contact for a recommendation. Maximum of three UCI faculty members may be listed.

**Scholarship:** Physical Sciences Undergraduate Achievement Award  
**Apply:** This scholarship is awarded through the UCI on-line scholarships application. Students can apply between mid-January to mid-March through their "My Aid" account by logging in at www.ofas.uci.edu.

**Eligibility Requirements:**
- Must plan to finish a Bachelor's degree at UC Irvine in one of the following majors: Chemistry, Earth and Environmental Sciences, Earth and Environmental Studies, Mathematics, or Physics.
- Open to students who will complete their junior year of study by the end of spring quarter 2013. (Preference will be given to a student with financial need.)
- Minimum UCI GPA to apply: 3.25
- Applicants must list a minimum of one UCI faculty member who we can contact for a recommendation. Maximum of three UCI faculty members may be listed.

**Scholarship:** Robert Doedens Undergraduate Achievement Award  
**Apply:** This scholarship is awarded through the UCI on-line scholarships application. Students can apply between mid-January to mid-March through their "My Aid" account by logging in at www.ofas.uci.edu.

**Eligibility Requirements:**
- Community college transfer student who plans to finish a Bachelor's degree at UC Irvine in one of the following majors: Chemistry, Earth and Environmental Sciences, Earth and Environmental Studies, Mathematics, or Physics.
- Open to transfer students who will complete their junior year of study by the end of spring quarter 2013 and plan to graduate in the 2013-14 academic year. (Preference will be given to a student with financial need.)
- Minimum UCI GPA to apply: 3.25
- Applicants must list a minimum of one UCI faculty member who we can contact for a recommendation. Maximum of three UCI faculty members may be listed.

**Scholarship:** Sharon A. Cheever, Esq and Honorable Luis Rodriguez Scholarship  
**Apply:** This scholarship is awarded through a paper application process. To download an application, please visit our website. Students must submit the completed application to the Office of Financial Aid and Scholarships located at 102 Aldrich Hall.

The Sharon A. Cheever, Esq and Honorable Luis Rodriguez Scholarship provides scholarships to two outstanding students who have declared a major in a STEM field: Science, Technology, Engineering, or Math.

**Eligibility Requirements:**
- Student must have declared a major in a STEM field: Science, Technology, Engineering, or Math.
- Be a continuing UCI student.
- Be a U.S. Citizen
- Have a demonstrated financial need as determined by the UCI Office of Financial Aid and Scholarships.
- Applicants must file a Free Application for Federal Student Aid (FAFSA).
- Have earned a minimum 3.0 GPA.

**FINANCIAL AID AND SCHOLARSHIPS**  
**UNIVERSITY OF CALIFORNIA • IRVINE**
Scholarship: The XIV Dalai Lama Endowed Scholarship
Apply: This scholarship is awarded through a paper application process. To download an application, please visit our website. Students must submit the completed application to the Office of Financial Aid and Scholarships located at 102 Aldrich Hall.

The XIV Dalai Lama Endowed Scholarship supports exceptional UCI undergraduate students who want to design and launch ambitious "compassion-in-action" projects aimed at engaging campus and/or community members in order to increase their awareness in one or more of the following areas: ethics, compassionate leadership, local and global responsibility, and/or peace. The XIV Dalai Lama Endowed Scholarship awards one student up to $10,000 for their fees as well as a grant of up to $10,000 from the Dalai Lama Fellows to support the project costs.

The recipient of the UCI Dalai Lama Scholarship becomes part of the Dalai Lama Fellows global community and benefits from a generous grant for project costs and guidance for project implementation.

Eligibility Requirements:
• Must have completed a minimum of 90 units of UCI-accepted coursework;
• Must have a minimum 3.0 cumulative UCI grade point average;
• Must plan to be enrolled full-time at UCI during the academic year; and
• Must submit a completed and signed application (with all required attachments)

EXTERNAL SCHOLARSHIPS

Scholarship: Advancing Hispanics Excellence in Technology, Engineering, Math and Science (AHETEMS) Scholarships
Sponsor: AHETEMS
Apply: Application forms and detailed information available at www.ahetems.org

Eligibility Requirements:
• Minimum 3.0 GPA both at the time of application and throughout the scholarship period;
• Must be registered full time;
• Pursuing a science, technology, engineering, or math discipline.

Scholarship: Al-Ben Scholarship
Sponsor: Los Angeles Council of Black Professional Engineers
Apply: Application forms and detailed information available at www.lablackengineers.org/

Eligibility Requirements:
• Undergraduate students enrolled in engineering, mathematical computer studies or scientific studies (chemistry, physics);
• The objective of the program is to stimulate and support the student’s interest in these technical areas that traditionally have an under-representation of minority professionals;
• The scholarship is open to students attending college in the United States; however, preference will be given to students that are Los Angeles area (Southern California) residents.

Scholarship: Alliance/Merck Ciencia (Science) Hispanic Scholars Program
Sponsor: The National Alliance for Hispanic Health, The Merck Company Foundation and the Merck Institute for Science Education
Apply: Application forms and detailed information available at www.alliancescholars.org

Eligibility Requirements:
A student of Hispanic heritage;
In good academic standing and enrolled full-time in an accredited college/university;
Are a declared major in a STEM discipline and pursuing a Bachelor’s degree in a STEM field

Scholarship: American Chemical Society (ACS) Scholars Program
Sponsor: American Chemical Society
Apply: Application forms and detailed information available at www.chemistry.org/scholars

Eligibility Requirements:
- Be African-American, Hispanic/Latino, or American Indian
- Be a U.S. citizen or permanent U.S. resident
- Be a full-time student at a high school or accredited college, university, or community college
- Demonstrate high academic achievement in chemistry or science (Grade Point Average 3.0, "B" or better)
- Demonstrate financial need according to the Free Application for Federal Student Aid form (FAFSA) and the Student Aid Report (SAR) form
- Be a graduating high school senior or college freshman, sophomore or junior intending to or already majoring in chemistry, biochemistry, chemical engineering or a chemically-related science OR intending to or already pursuing a degree in chemical technology
- Be planning a career in the chemical sciences.

Scholarship: Association of California Water Agencies Scholarship
Sponsor: Association of California Water Agencies
Apply: Application forms and detailed information available at www.acwa.com/content/scholarship/scholarships

Eligibility Requirements:
- A California resident;
- A full-time junior or senior in the year the scholarship will be applied;
- Attending an accredited, publicly funded college or university in California;
- Studying a water-resources related field or discipline;
- Planning to attend school for the complete academic year;

Scholarship: Association of Physics Students (APS) Minority Scholarship
Sponsor: Association of Physics Students
Apply: Application forms and detailed information available at www.aps.org/programs/minorities/honors/scholarship/

Eligibility Requirements:
- African-American, Hispanic American, or Native American;
- U.S. citizen or permanent resident;
- Majoring in physics;
- College freshman or sophomore.

Scholarship: George Geng On Lee Minorities in Leadership Scholarship
Sponsor: Capture the Dream, Inc.
Apply: Application forms and detailed information available at www.capturethedream.org

Eligibility Requirements:
- Must be a California Resident;
• All applicants must either be a minority high school graduating senior OR a minority full-time undergraduate student enrolled at an accredited four year-institution;
• Upon winning, scholarship winners must provide verification of permanent residency (copy of US Passport or valid State ID), annual household income, and any additional documentation materials within two weeks of notification to substantiate the information provided and avoid being disqualified.

Scholarship: The Google Anita Borg Memorial Scholarship
Sponsor: Google
Apply: Application forms and detailed information available at www.google.com/anitaborg/us

Eligibility Requirements:
• Be a female student entering her senior year of undergraduate study or be enrolled in a graduate program in the 2013-2014 academic year at a university in the United States;
• Be enrolled in Computer Science or Computer Engineering program, or a closely related technical field as a full-time student for the 2013-2014 academic year;
• Maintain a cumulative GPA of at least 3.5 on a 4.0 scale or 4.5 on a 5.0 scale or equivalent in your current program.

Scholarship: Hispanic College Fund’s College and Career Institute Scholarship
Sponsor: Hispanic College Fund
Apply: Application forms and detailed information available at http://scholarships.hispanicfund.org/applications/

Eligibility Requirements:
• Plan to enroll fulltime at an accredited college/university in the U.S. or Puerto Rico for the upcoming academic year
• Have a minimum 3.0 cumulative GPA
• Be a U.S. Citizen or Permanent Resident; or, have graduated from a high school in the U.S. after having attended at least three years
• Demonstrate financial need
• Must commit to meeting program requirements if accepted, including webinar attendance and other activities
  Short-Term Goals
  • Students grow their personal, academic, and professional networks
  • Students attend at least three webinars that contribute to their personal, academic, and/or professional growth
  • Students maintain or increase their GPA

Scholarship: Hispanic Education Endowment Fund Scholarships
Sponsor: Hispanic Education Endowment Fund
Apply: Application forms and detailed information available at www.heef.org

Eligibility Requirements:
• Latino/a who has lived in Orange County (OC), CA for the past 6 years
• An OC public or private high school graduate who enrolls fulltime at a 4-year college; an OC community college transfer who enrolls fulltime at a 4-year university; or, an entering or continuing community college (CC) student who qualifies for a Subfund that awards CC students.
• Eligible for need based financial aid. All applicants must submit a FAFSA and report their Expected Family Contribution (EFC) on their online HEEF application. Dream Act/ AB 540 applicants must complete the self-reported information section of the online application.
Scholarship: Hispanic Scholarship Fund Scholarships  
Sponsor: Hispanic Scholarship Fund  
Apply: Application forms and detailed information available at www.hsf.net

Eligibility Requirements:

- Have a minimum 3.0 cumulative GPA on a 4.0 scale (or the equivalent)
- Be a US citizen OR legal permanent resident with a valid permanent resident card or passport stamped I-551
- Be pursuing or plan to pursue your first undergraduate or graduate degree
- Must apply for federal financial aid using the Free Applications for Federal Student Aid (FAFSA).
- Be enrolled or plan to enroll full-time as an undergraduate or graduate student at a U.S. accredited institution in the U.S., Puerto Rico, U.S. Virgin Islands, or Guam.
- *The Hispanic Scholarship Fund has many scholarships programs for STEM students. Visit their website for detailed information.*

Scholarship: Microsoft Scholarship  
Sponsor: Microsoft  

Eligibility Requirements:

- Full time enrollment in a Bachelor's degree program at a 4-year college or university in the United States, Canada, or Mexico at the time you submit the application;
- Making satisfactory progress toward an undergraduate degree in computer science, computer engineering, or a related technical discipline such as electrical engineering, math, or physics—and that you demonstrate an interest in computer science;
- Maintain a 3.0 cumulative grade point average out of a possible 4.0;
- We encourage student populations currently underrepresented in the field of computer science to pursue technical degrees. All candidates who meet the criteria for eligibility described above may certainly apply, while we do award a large majority of our student scholarships to women, minorities, and the disabled.

Scholarship: Minority Scholarship  
Sponsor: Brown and Caldwell  
Apply: Application forms and detailed information available at http://www.brownandcaldwell.com/scholarships.asp

Eligibility Requirements:

- United States citizen or permanent U.S. resident
- Be a full-time student enrolled in his/her Junior, Senior year or graduate program at an accredited college/university.
- Declared major in Civil, Chemical or Environmental Engineering or one of the environmental sciences
- Cumulative GPA of 3.0 or higher on a 4.0 scale (or equivalent on a 5.0 scale)
- Member of Minority Group as defined by EEOC

Scholarship: Gene & Marilyn Nuziard Scholarship  
Sponsor: QueensCare  
Apply: Application forms and detailed information available at www.queenscare.org/charitable_grants/scholarships

Eligibility Requirements:
- Pursuing a career in healthcare;
- A minimum grade point average of 3.25;
- Family income is at or below 200% of the Federal Poverty Level;
- An interest in working with the underserved in Los Angeles County upon graduation.

**Scholarship:** Society of Women Engineers Scholarships  
**Sponsor:** Society of Women Engineers  
**Apply:** Application forms and detailed information available at www.swe.org

Eligibility Requirements:  
- Women enrolled in baccalaureate or graduate programs in preparation for careers in engineering, engineering technology and computer science.

**Scholarship:** SPIE Scholarship  
**Sponsor:** SPIE  
**Apply:** Application forms and detailed information available at http://spie.org

Eligibility Requirements:  
- High school, pre-university, secondary school students will receive a one-year complimentary Student Membership. Fill in the Pre-College Membership Application Form and return to scholarships@spie.org  
- Must be enrolled or planning to enroll in an optics, photonics, program or related field (e.g., physics or electrical engineering) at an accredited school for the school year beginning in the Fall 2013 (Aug 2013-Jul 2014)

**Scholarship:** STEM Majors Scholarship  
**Sponsor:** Hispanic College Fund  
**Apply:** Application forms and detailed information available at http://scholarships.hispanicfund.org/applications/

Eligibility Requirements:  
- Plan to enroll fulltime at an accredited college/university in the U.S. or Puerto Rico for the upcoming academic year  
- Have a minimum 3.0 cumulative GPA  
- Be a U.S. Citizen or Permanent Resident; or, have graduated from a high school in the U.S. after having attended at least three years  
- Demonstrate financial need  
- Must commit to meeting program requirements if accepted, including webinar attendance and other activities  
  Short-Term Goals  
- Students grow their personal, academic, and professional networks  
- Students attend at least three webinars that contribute to their personal, academic, and/or professional growth  
- Students maintain or increase their GPA.

**Scholarship:** Student Scholarship Program  
**Sponsor:** The Society of Mexican American Engineers and Scientists (MAES)  
**Apply:** Application forms and detailed information available at www.maes-natl.org

Eligibility Requirements:  
- MAES student members;  
- Majoring in science, technology, engineering, or mathematics;  
- Recipients are selected on the basis of academic achievement, financial need, leadership, community service, personal qualities, and completeness of application.
Scholarship:  TELACU Education Foundation Scholarship Program
Sponsor:  TELACU
Apply:  Application forms and detailed information available at www.telacu.com

Eligibility Requirements:
- Be a first-generation college student;
- Be from a low-income family;
- Have a minimum GPA of 2.5;
- Must attend one of our partnering colleges and universities (UCI is a partner);
- Must be enrolled full-time;
- Students majoring in all fields of study are eligible to apply. Special consideration may be given to students pursuing careers in Business, Engineering and Science;
- California Applicants: Be a permanent resident of unincorporated East Los Angeles, Bell Gardens, Commerce, Huntington Park, City of Los Angeles, Montebello, Monterey Park, Pico Rivera, Pomona & the Inland Empire, Santa Ana, South Gate, or other communities selected by the TELACU Education Foundation for inclusion in the Scholarship Program.

Scholarship:  Tylenol Scholarship
Sponsor:  Tylenol
Apply:  Application forms and detailed information available at www.tylenol.com/page.jhtml?id=tylenol/news/subptyschol.inc

Eligibility Requirements:
- Pursuing healthcare-related studies and career;
- A record of community service;
- Leadership;
- Academic achievement.

Scholarship:  Xerox Technical Minority Scholarship
Sponsor:  Xerox Corporation
Apply:  Application forms and detailed information available at www.xeroxstudentcareers.com/why-xerox/scholarship.aspx

Eligibility Requirements:
- Full-time student enrolled at a four-year institution;
- Minimum GPA of 3.0;
- Pursuing a BS, MS, or PhD in a technical science or an engineering discipline;
- Applicants must be US citizens or visa-holding Permanent Residents of African American, Asian, Pacific Island, Native American, Native Alaskan, or Hispanic descent;
- Demonstrate financial need.

Scholarship:  Undergraduate Scholarship Program
Sponsor:  National Institute of Health
Apply:  Application forms and detailed information available at www.training.nih.gov/programs/ugsp

Eligibility Requirements:
- Commitment to a career in biomedical, behavioral, or social science health-related research;
- For each full or partial scholarship year, you are committed to two NIH service obligations. The obligations themselves are benefits of the UGSP-providing you with invaluable research training and experience at the NIH:

FINANCIAL AID AND SCHOLARSHIPS
UNIVERSITY OF CALIFORNIA • IRVINE
• 10-week Summer Laboratory Experience. After each year of scholarship support, you will train for 10 weeks as a paid summer research employee in an NIH research laboratory. This employment occurs after the receipt of the scholarship award. Each scholar will be assigned to an NIH researcher and an NIH postdoctoral fellow, who will serve as mentors. You will also attend formal seminars and participate in a variety of programs.
• Employment at the NIH after Graduation. After graduation, you will continue your training as a full-time employee in an NIH research laboratory. You must serve 1 year of full-time employment for each year of scholarship.

- U.S.A. citizen or U.S.A. permanent resident
- Enrolled or accepted for enrollment as a full-time student at an accredited 4-year undergraduate institution located in the United States of America
- Undergraduate University Grade Point Average of 3.5 or higher on a 4.0-point scale or within the top 5 percent of your class
- Having 'Exceptional Financial Need' as certified by your undergraduate institution financial aid office
